Medium deep ruby red with a tawny rim. Some development on the nose, roasted notes, spices and stewed fruit. The palate is soft and rounded with spicy and leafy notes, some complexity, sweet fruit and rather long finish.

Dark purple red with violet hue and blank centre. Opulent nose with distinct smoky notes, backed by dark berry fruit. On the palate mediumweight and length, good structure and intense toasted flavours, good length.

A touch of camphor-like smokiness on the nose and a pleasantly soft-fruited, medium-bodied palate with sinewy tannins supporting an attractively savoury quality of fruit with a dry grip on the finish.
